

jingle and JOY

KIDS PRAYER TAGS

1. Print on card stock and cut the tags apart.
2. Punch a hole in the top of the tag and add a string or a hook.
3. Read a daily devotion from Jingle and Joy with your children or grandchildren.
4. Help them write who they want to pray for on the tag that corresponds to the day of the devotion (day numbers are on tags).
5. Hang the tag upon the tree as you help them pray.

No tree. No worries.

Cut the tags and tape them to the refrigerator or another area in your home where you will see the often.

Help your child make a “prayer journal” using loose leaf paper or a spiral bound notebook. Tape or glue the tags inside as you pray together each day.

We would love to see how you use Jingle and Joy and these prayer tags with your young ones.
